

SPONSORSHIP OPPORTUNITIES

**WE ARE THRILLED TO PRESENT YOUR COMPANY WITH THE
OPPORTUNITY TO BE PART OF TWO WORLDS COMING TOGETHER
UNDER ONE ROOF.**

Ride 2 Hunt, hosted by Canadian Champion and 4X NFR Qualifier Layton Green and produced by Tailor Made Productions, will deliver an adrenaline-filled performance showcasing the beauty and power of saddle bronc riding. Twenty of the world's greatest saddle bronc riders will compete for the title, with the champion earning the hunting trip of a lifetime.

This event is about more than just broncs and riders — it's about the hunting lifestyle, western culture, and bringing together leaders in both industries. We are looking to partner with the best outfitters, hunting professionals, and outdoor brands to help create an unforgettable experience.

Hosted at Stampede Ranch in the breathtaking landscape of Longview, with the Rocky Mountains as the backdrop, Ride 2 Hunt will be an elite event designed to capture attention and be showcased to audiences around the world.

We are seeking sponsorship support in a variety of ways, including hunting trips, outfitting experiences, products, and services to be featured in the Calcutta and live auction taking place during the event. This is an incredible opportunity to align your brand with a premier western and outdoor experience while reaching a passionate and engaged audience.

We would love the opportunity to discuss how your company can become part of Ride 2 Hunt and help us build something truly unique.
